TALL CORN GLADS

To my gladiolus friends, I extend greetings for 1956, and my best wishes for your glad plantings this year. Let us hope that we will have more of Mother Nature's moisture than we got last season.

Owing to circumstances, I had to severely reduce my plantings in 1955, and will need to make further reduction this season. Because of this, I am not in a position to price in wholesale quantity; nor can I offer bulblets, this largely owing to the drought of last summer. My listing which follows will be briefer than formerly, and the descriptions shorter. If you wish more complete descriptions, ask for my 1955 catalogue.

With every good wish for you this season, I am sincerely yours,  
H. E. Morrow

Please make note before ordering:

1. My bulbs are doubly State Inspected, once in the field, and again in storage.
2. All orders accepted subject to stock and prior sales.
3. If your order is for less than \$3.00 please enclose an additional 25¢ for shipping charges.
4. I guarantee the stock which I ship to be true to name, and if at the end of the season it has proved not to be, let me know and I will replace. My stock is also guaranteed to be free of disease, and healthy.
5. Cash with order, please, or write for special arrangement.
6. Satisfaction and generosity are my guiding principles.
7. I list my bulbs in three sizes, Large, Medium, Small, indicated by the three letters, L, M, S.

GROUP A

All the varieties listed in this group are priced alike, as follows:

L.2-30, 10-1.20; M.2-20, 10-80; S.10-50

Five of any one kind and size may be had at one half the price of ten. Bulblets are not available this year owing to the severe drought of last season.

### CHOICE MIXTURE

I can offer this Choice Mixture at this low price because it offers me opportunity of keeping my bulb stock in balance. This is not a "discard" mixture, but comes right out of my trays of choice varieties. I never put more than five bulbs of any one kind in a hundred. These bulbs are all large size, clean and free of disease as is every bulb I send out. I can offer only large and medium sizes this year, and at the following prices: L. 6.00 per 100 M. 4.00 per 100 25 or more bulbs may be had at hundred rate, that is 6¢ per bulb, prepaid, if the order amounts to \$3.00 or more. If less than three dollars, add 25¢ additional

### SUPERB PEONIES

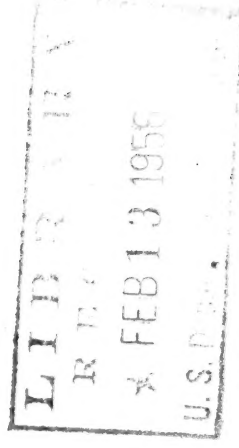

I also grow a very choice line of peonies - notable prize winners, and many of recent introduction, put out by E. H. Lins, and the Brand Peony Farm. If interested, ask for my descriptive price list. Peonies make a grand early flower while waiting for glads.
